*It is one of my personal favorite books. This is certainly for anyone who states there has not been a book worth studying. I found out this ebook from my mom and dad advised this pdf to learn.

You are about to embark on a journey of discovery. Throughout this six-session study taught by Rick Warren you are going to discover the answer to life's fundamental question: 'What on earth am I here for?' And here's a clue to the answer: 'It's not about you . You were created by God and for God, and until you understand that, life will never make sense. It is only in God that we discover our origin, our identity, our meaning, our purpose, our significance, and our destiny. Every other path leads to a dead end.' The Purpose Driven Life DVD Study Guide is designed to be used with The Purpose Driven Life DVD (sold separately). Whether you are going to experience this adventure with a small group or on your own, this six-session video-based study will change your life. This study has been used by over four million people during the 40 Days of Purpose Campaigns in churches all over the world. When combined with the reading of The Purpose Driven Life, the book Publishers Weekly declared the 'bestselling nonfiction hardback in history' this study will give your small group the opportunity to discuss the implications and applications of living the life God created you to live.
