## JEANNIE AND THE GENTLE GIANTS

Ronsdale Press. Paperback. Book Condition: new. BRAND NEW, Jeannie and the Gentle Giants, Luanne Armstrong, For ages 8-14. This is a novel which deals with the problems experienced by children when they are taken from their parents and have to make a new life with foster parents in a new community. In Jeannie's case, the problems begin when her mother falls ill and can no longer care for her. Taken from her home, placed with foster parents and unable to discover the whereabouts of her ill mother, young Jeannie withdraws into herself and can think only of running away. Gradually her defences are breached by two immensely large and wonderful workhorses and their perceptive and humorous owner. Through the horses and her work on the farm, Jeannie develops new interests, learns to ride and becomes involved in the daily life of the farm, even helping with horse-logging. In turn, Jeannie learns about friendship, love and trust, and ultimately gains the maturity and self-confidence to accept the challenge of becoming herself a care-giver. In this sensitive and moving story, Luanne Armstrong draws us into a world of pain, growth and fulfilment.
