Createspace, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.For parents today, deciding what the best option for daycare for your children is may not be a simple decision. More than ever before, both parents must work in order to make ends meet, necessitating some sort of care option for the children. For families where only one parent works, there are still many options to consider when it comes to what is best for you and your children. The Smart Easy Guide To Daycare Childcare: Your Guide Book to Day Care Child Care Options Inside Outside the Home provides a wealth of information on the variety of different childcare options available to parents, whether just one or both parents work. There are pros and cons to each type of childcare, and what will ultimately work for you and your family is based on a number of factors from finances to values. In-home childcare is care provided out of the provider s home. For example, a neighbor could offer childcare services whereby your children are simply dropped off and picked up at her home. The guide brings forth a number of benefits, as well as considerations, including licensure and cost. Daycare centers, or professional locations that provide licensed daycare services, are a common choice for many parents. There are stringent rules and guidelines at these facilities and they have their benefits and disadvantages. Many parents are concerned about the more industrial setting of the care provided vs. in-home care, as well as the lack of one-on-one attention in large daycare facilities. However, these facilities are often licensed and staffed with trained and qualified professionals that can provide learning and socialization advantages. Au pairs and nannies provide in-home child...
