Brand New Book ***** Print on Demand *****.Excerpt from New Catalogue, New Prices and Improvements for November, 1876, of the B. Shoninger Organ Co In presenting our Revised Price List, it is gratifying to record the unprecedented success achieved by our Organs; relying solely on their intrinsic merits, they have acquired an enviable reputation and wide spread popularity, and are acknowledged, by the best musical critics, to be the best organs in the world. Their matchless beauty and finish, purity of voicing, prompt speech, extreme delicacy and quickness of touch, rich, full and truly organ-like tone, have won the most flattering encomiums, and elicited the enthusiastic admiration of all who have seen and heard them. Unsolicited, testimonials are constantly received, expressing unqualified satisfaction. Employing the best mechanical talent in the country, everything that artistic skill, taste, and long experience can suggest, is employed, to make them both musically and externally the king of organs. Careful attention is paid to the smallest details in their construction; the very best materials are used throughout. It is our aim to manufacture an instrument combining more valuable improvements, better styles and finish, and more for the money than any now made. We prefer to let our work be judged by its merits; we have received the first premium over all others, gold and silver medals wherever exhibited. Over Forty-five thousand of our instruments now in use. Our object is to bring before the public a thorough knowledge of both the appearance and merits of our instruments, so that they can forward their orders with perfect confidence.
