

Thinking as a Nurse (Paperback)

Filesize: 6.99 MB

Reviews

It is one of my personal favorite books. It is one of the most incredible ebooks I have ever gone through. You will not feel monotony at any moment of your own time (that's what catalogues are for relating to if you ask me).

(Giuseppe Mills)

THINKING AS A NURSE (PAPERBACK)

[DOWNLOAD](#)

iUniverse, United States, 2009. Paperback. Book Condition: New. 196 x 124 mm. Language: English . Brand New Book ***** Print on Demand *****.Thinking as a Nurse is a point-of-view work gleaned from 37 years of direct patient care and 25 years of teaching nursing. The book emphasizes the non-technical components of nursing practice--the cognitive and cerebral aspects. The primary role of nurses is to identify and solve patient problems and Thinking as a Nurse looks at influences of clinical problem solving such as empathy, what the patient says to the nurse, pathophysiology, nurse-physician relationships, teamwork, and setting priorities. Memorization and an overemphasis on technical skills are discussed as possible pitfalls in the education of nurses. The book helps students study for nursing examinations and be more adroit in their clinical practices. There are chapters addressing studying techniques and how to deal with NCLEX-type questions.
