HENRY VI, PART II (PAPERBACK)

Dover Publications Inc., United States, 2015. Paperback. Book Condition: New. First Edition,.. 203 x 127 mm. Language: English . Brand New Book. Preferring a life of spiritual contemplation, Henry VI leaves politics to his nobles. The resulting power struggle pits the Houses of York and Lancaster against one another for control of the crown. Against a backdrop of violent rebellion, the play explores the relationship between law and justice and the extent of a ruler's authority. The second of three plays based on the life of England's fifteenth-century monarch, this historical drama chronicles the conflicts behind the War of the Roses. Each part of the trilogy is self-contained and can be appreciated without knowledge of the others. Vivid characterization, dark comedy, and powerful language combine for a memorable portrait of a country devastated by civil war.
