Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Continents of the World for Kids: Geography for Kids: World Continents Do you want to teach your children about the continents of the world? If yes then this is the book for you! It s important that children appreciate the planet as the home land of mankind so that they can take wise decisions when they grow older about how the planet s resources should be used. In this book, children will learn about the various continents of the world, about its people, their societies, economies, cultures and the environment. This book is more than just a factual look through. It is a book that will make children appreciate why each continent is important and why they should be preserved for as long as possible. With the increase in global warming and climate change that is currently affecting the world, the current state of the continents is subject to change as well. Soon Antarctica might not be a place that is considered to be icy and cold. If the ice caps keep melting then the...
