Reviews

Complete guideline for publication fans. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.
(Llewellyn Terry)

YANKEE MAGAZINE'S VINEGAR, DUCT TAPE, MILK JUGS & MORE

Yankee Books, 1999. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: Yankee Magazine's Vinegar, Duct Tape, Milk Jugs & More From milk jugs to egg cartons to mayonniase and more, your home contains an untapped gold mine of materials that you can use to solve problems, fix what breaks, or create substitutes for things you'd otherwise have to buy. The trick is figuring out what among these objects is treasure and what's trash. That's where Earl Proulx and the editors of Yankee magazine can help. Drawing on their own creative ideas--and those of ingenious Yankees all over New England--they've come up with more than 1,000 clever ways to put common household objects to uncommon and valuable uses. The result is a book that will benefit you in five clear ways. 1. This book will empower you. Other people might be stymied when, say, Spot knocks a glass of grape juice on that elegant white rug. Not you. You'll be able to lift that stain yourself--without buying some expensive remover--just by applying a dab of shaving cream. Vinegar, Duct Tape, Milk Jugs, and More contains dozens of clever do-it-yourself ideas like this. 2. This book will save you money. Need an attractive gift for a friend, a game to entertain the grandkids, a desk organizer for your home office? Forget the catalogs and stay away from the stores. As you'll see, you can make these items and dozens more in minutes from the leftover things around your house. 3. This book will make your life easier. There's no need to stock a cabinetful of specialty cleansers. Vinegar, Duct Tape, Milk Jugs, and More will show you how to use common ingredients like salt, ketchup, baking soda, flour, yogurt, and, of course, vinegar to handle many...
