By Scott Michael Hogan

Createspace, United States, 2012. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This colorful memoir of growing up in the Fifties and early Sixties in Newport, RI by award-winning poet and historian, Michael Hogan, provides a rich and multi-layered description of the city in the days before the building of the Newport Bridge. Then the island was still isolated from the mainland and only accessible from Jamestown by ferry. Downtown Thames Street had its seamy side with sailors and marines fighting in honky-tonk bars as Destroyer Fleet Atlantic brought troops back from Korea. Still, it was the summer home of the Vanderbilts, the Astors and Goetts, and the aspiring young author greeted both Eisenhower and Kennedy at the Summer White House and made a car trip to Amherst to meet Robert Frost. PUBLISHER'S REVIEW Before the Jazz Festivals, the condominiums, the gentrification of Thames Street, the Bed and Breakfasts, and the Bridge that let the tourists and New York investors turn my hometown into a theme park, there was another Newport. Shrouded by fog, slowed by cobblestone streets, full of abandoned mysterious mansions, turreted and dark, it was a...

### Reviews

*This pdf is fantastic. It typically is not going to price too much. You will not truly feel monotony at any time of your own time (that's what catalogs are for about if you request me).*
