The Catsitters: A Novel

By Wolcott, James

HarperCollins, Scranton, Pennsylvania, U.S.A., 2001. Hard Cover. Book Condition: New. Dust Jacket Condition: New. First Edition. Renowned for his barbed-wire wit, Vanity Fair literary critic James Wolcott turns his wicked eye on the vagaries of romance in this viciously funny debut novel about the ways men and women communicate and don't in the never-ending search for a soulmate. Johnny Downs is a man down on his luck. Dumped by a string of girlfriends, Johnny has just been given the boot again. Hurt, baffled, and most of all, clueless, Johnny enlists Darlene Rider, a sassy Southern belle with a Hannibal Lecter heart and tactical genius in the relationship game, to help him cast off his bachelor habits and rebrand himself as "husband material." What follows is a crash course in love and romance as only Darlene could teach it and James Wolcott could write it.
