Berrett-Koehler. Paperback. Book Condition: new. BRAND NEW, Stewardship: Choosing Service Over Self-Interest (2nd Revised edition), Peter Block, Steven Piersanti, Stewardship was provocative, even revolutionary, when it was first published in 1993, and it remains every bit as relevant and radical today. Most organizations still rely on patriarchy and hierarchy as their core form of governance, stifling initiative and spirit and alienating people from the work they do. Peter Block asserts that a fundamental shift in how we distribute power, privilege, and the control of money can transform every part of an organization for the better, and he examines the nitty-gritty of implementing these reforms. This revised and expanded edition includes a new introduction by Block addressing what has and hasn't changed since the first edition and a new chapter on applying stewardship to the common good of the wider community. This visionary yet pragmatic book is sure to open your mind and change the way you do your job forever.
