Our favourite white trash zombie, Angel Crawford, has enough problems of her own, what with dealing with her alcoholic, deadbeat dad, issues with her not-quite boyfriend, the zombie mafia, industrial espionage and evil corporations. Oh, and it s raining, and won t let up. But things get even crazier when a zombie movie starts filming in town, and Angel begins to suspect that it s not just the plot of the movie that s rotten. Soon she s fighting her way through mud, blood, bullets and intrigue, even as zombies, both real and fake, prowl the streets. Angel s been through more than her share of crap, but this time she s in way over her head. She ll need plenty of brainpower to fit all the pieces-and body parts-together in order to save herself, her town, and quite possibly the human race.
