Taylor & Francis Ltd. Paperback. Book Condition: new. BRAND NEW, Studies in Perception and Action X: Fifteenth International Conference on Perception and Action: v. 10, Jeffrey B. Wagman, Christopher C. Pagano, This volume is the 10th in the Studies in Perception and Action series and contains research presented at the 15th International Conference on Perception and Action (ICPA) meeting in the summer of 2009. ICPA provides a forum for presenting new data, theory, and methodological developments relevant to the ecological approach to perception and action. The forty papers presented in this volume are divided into five Parts and represent the latest developments in ecological psychology research from four continents. In many instances, the contributions to Studies volumes reflect the first appearance of new ideas in a scientific venue. As a result, this book contains the most recent and cutting-edge research in perception and action. This volume will appeal to individuals who follow the research literature in ecological psychology, as well as those interested in perception, perceptual development, human movement dynamics, and social processes.
