ON THE INDIAN TRAIL (PAPERBACK)

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.We struck the prairie trail at Saint Paul in 1868. We, that is my young wife and I in company with some other missionaries and teachers, were to travel many hundreds of miles upon it, in order that we might reach the wigwam haunts of the Indians in the northern part of the Hudson Bay Territories, to whom we had been appointed to carry the glorious Gospel of the Son of God. We were to follow up the work begun by men of sublime faith and heroic courage, and to carry it still farther into more remote regions where as yet the sweet story of a Saviour's love had never been heard. We had confidence enough in God to belief that if fur-traders could travel along these trails, and live in those lonely remote regions for from the blessings of civilisation, and in order to make money by trading with the Indians put up with the hardships and privations incident to such a life, we could make equal sacrifices for Christ's sake, to carry the Glad Tidings of His great love to those who had never heard the wondrous Story.
