Paulist Press International,U.S., United States, 2001. Hardback. Book Condition: New. New edition. 230 x 161 mm. Language: Latvian,English . Brand New Book. This edition of The Rule of Saint Benedict is being published in conjunction with the seventy-fifth anniversary of the founding of The Liturgical Press. The Liturgical Press began in the 1930s to publish books and other materials related to Benedictine monastic life and spirituality. Leonard Doyle s translation of St. Benedict s Rule for Monasteries appeared in 1948 and has remained in print ever since. Generations of monastics, oblates and others whose lives are influenced by monastic spirituality, have encountered the Rule by means of Doyle s work, which remains by far the most widely known and used English version of the Rule. The traditional dates for the thrice-yearly reading of the Rule are included in this edition. Simple, clear text and beautiful cover art enhance the value of this edition. The elegance of the page, as crafted by the master eye of renowned liturgical artist and designer Frank Kacmarcik, OblSB, makes it a treasure to read and study as Benedict intended. After Vatican II he worked on the official liturgical books published by The Liturgical Press, including the Lectionary, the Sacramentary, and the Breviary. His translation from Latin of St. Benedict s Rule for Monasteries, which was published in 1948, is still sold by The Liturgical Press. David W. Cotter,...
