Audible Studios on Brilliance, United States, 2016. CD-Audio. Book Condition: New. Unabridged. 171 x 133 mm. Language: English . Brand New. Talkin about my generation? It s the Porn Generation It s everywhere, from commercials to New York Times bestsellers to college (and even younger) classrooms. In fact, pornography has become such a part of normal life in 21st century America that many teens and twenty-somethings have had no more important influence. They are the porn generation, where life s expectations come from Mouseketeer pop tarts, Victoria s Secret, internet titillation, and condom-flogging sex education. Tom Wolfe s novel Charlotte Simmons told part of the storybut in Porn Generation it s for real. Ben Shapiro speaks as a member of this generation, and the tale he has to tell is a shocking perspective on life in an age where moral relativism reigns on college campuses, oversexed narcissism rules the airwaves, and purity is the new sin. In Porn Generation you ll learn: How porn producers see themselves as shaping and taking over Mainstreet U.S.A. The real face of taxpayer-funded sex education: nine-year-olds learning about condoms; twelve-year-olds being questioned about their sexual orientation The new collegiate do s (accepting sexile) and don ts (dormcest) How Hollywood and TV have mainstreamed pornography: why porn stars now turn up regularly on television and in glossy adsand why celebrities imitate porn stars Mamas, don t let your daughters grow up to be co-eds: why on college campusesand throughout the porn generationsexual relationships are as disposable as used condoms Is there any good news? Yes. A lifestyle of playing pimps and hoseven if dressed up in preppie clothingcan only last so long before disease, despair, and depression set inand many in the porn generation are beginning to wake up to their tragedy....
