Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Dynamite blasting disturbs the quiet of a beautiful night and scars the scenic hillside of Mallorca, an island off the coast of Spain. The body of a local researcher thoroughly confounds the local police near the blast area, and the chief notifies mainland authorities. Bev and Brian Moore, two young American undercover agents, are sent to unravel the mystery and pose as journalists. These sleuths shadow the local police chief for an article on the daily events of the police on this Mediterranean tourist mecca. What they uncover is treachery, international intrigue and political hi-jinx resulting in a fast-paced mystery of robbery, mayhem and murder. Drones and international diplomacy add to the suspense of this thriller which weaves actual events with pure fiction in this third novel featuring two delightful protagonists who appreciate local scenery and cuisine. Aileen Nowatzki received her MA in French and has worked professionally as a teacher, college instructor and translator. She has written short stories, children s stories and essays and has traveled extensively with her husband. She donates a portion of her time as park naturalist/docent in the Los Angeles area.
